The undersigned will sell the following described stock at their farm, one mile north of

**PEIRCE CITY, MISSOURI, ON THURSDAY,
SEPTEMBER 30, 1909**

The "Plug Farmer's Band" will now begin to play and will continue to do so, until after the sale of September 30th, 1909. The tune we intend to play is the same "Push and Hustle" tune that we have played for so many years. We are very much pleased to see that others are joining in the chorus. This sale will consist of 30 head of cattle, 15 head of Registered Jerseys, and 15 head of High Grade Jerseys; also 65 head of hogs, 25 Registered with papers, and 40 head of High Grade Sows and Pigs, 10 sows with pigs. Connoisseurs tell "us" this as good a lot of cattle and hogs as has ever been sold. This is saying a lot, but we think "the cream" is as thick, if not thicker than ever before, as the cream from our cows tested 44 per cent at the Peirce City Creamery.
